To Georgie:

Hey, kid! perhaps you figured we were going to let you go
Up to that Arctic Circle'mongst those fishy Esquimaux
With nary a memento of the pride we have in you,
But here's a little token, - just a quart of mountain dew,-
And we hope that in Alaska you will knock them for a goal,
Yet here's a word of warning, DON'T YOU FREEZE YOUR TOTEM POLE!!
